If **Blue colored Edit button** on row is clicked, **gray dialog box will appear**, to update records

# **MOBILE-VIEW**

## **Responsive**

Content adjusted in mobile-view

## **Learning / Documentation**

- ☐ Project made using mainly JavaScript DOM and Tailwind CSS
- ☐ It allows user to add , delete, modify records of students.
- ☐ Complex areas explained in code using comments.
- ☐ Its responsive for smaller screens
- ☐ I Learned more about content styling using DOM

**Thank you**
